DESCRIPTION: The Alaska Mitt offers unmatched warmth down to -30°C with a Thermoplus 5000 rating, Swiss wool and merino lining with Polygiene. Features a zip for versatile wear and a preformed shape for maximum comfort and grip.

WARMTH INDEX: 5000 - Extra Warm

FIT: Relaxed **CUFF TYPE:** Hybrid

MATERIAL: Water resistant soft fabric, Waterproof goat leather palm **INSULATION:** Swiss Wool, Merino wool lining with Polygiene treatment

FEATURES: Safety leash, Zipped cuff, Hook&loop closure, Preformed glove, Nose cleaner

SWISS WOOL

This natural material is characterized by thin fibres which do not retain odours making this type of wool antimicrobial. Wool provides warmth and draws sweat away from the skin, keeping a sensation of dryness.

PREFORMED FINGERS

This is a special anatomical construction that permits a preformed shape. The preformed shape reduces wrinkles on the palm and guarantees better fit and sensitivity.

SAFETY STORM LEASH

A new leash concept that offers an increased safety feature for riders and skiers.

POLYGIENE®

With Polygiene® Stays Fresh Technology, enjoy fresh-all-day confidence. Polygiene makes your glove/mitten stay fresh!
