POLYGIENE®

With Polygiene® Stays Fresh Technology, enjoy fresh-all-day confidence. Polygiene makes your glove/mitten stay fresh!

MERINO WOOL

Merino wool lining keeps hands warm and dry and its natural temperature regulating ability is ideal for high performance sports activities.

COZY FUR

Stay warm and cosy. A thick fur cuff for optimum warmth and comfort. This model is ideal for adding a touch of glamour to your winter looks.

WATERPROOF FABRIC TREATMENT

The fabric is laminated with a process that permits to add a breathable waterproof membrane to the outer material, optimizing warmth and comfort while keeping the hands dry.

REINFORCED LEATHER PALM

Abrasion-resistant goat leather patches on palm and index finger for both stretch and durability.

STORM LEASH

This cord is used to secure the glove to your hand with an adjustable plastic. A big advantage when you don't want to wear gloves but want to keep them attached to the wrist.

LONG CUFF
